Katie, attached please find my final report for BP, Gathering Center 2 (GC2), Prudhoe Bay, AK. This was an inspection to check on compliance with NSPS subpart OOOOa.

The report has undergone peer review by Chris Williams, OECA and has both our signatures. Please review and sign the signature page, attached.

I'm also sending you a separate email link to my One Drive, with the full report and all attachments.

Thanks,

John Pavitt, Air Compliance Inspector
Air and Toxics Enforcement Section
U.S. EPA Region 10
Alaska Operations Office
Anchorage, AK
